

Defining Products and Services

Leading to Economies of Scale

Presentation by
Brian Bennett
CEO
Encompass the Transport Credit Union

What defines a movement?

What defines a Movement?

Quotes

“

To build the socio-economic capabilities of cooperatives through the delivery of superior financial products and allied services

”

Source: The National confederation of Co-operatives (NATCCO)

Quotes

“

In order to achieve that **dream**, So needed a new **Strategic Plan** with a **focus on goal setting, targeted and integrated** from **primary** level up to **secondary** or **CUCO** level.

”

Source: Credit Union Central of Indonesia (CUCO)

Quotes

“

A **People’s Credit Fund** shall be a type of **co-operative** credit institution operating on the **principles** of **voluntary participation, self-managed, and self responsibility** for the results of **operation, fulfilling** the basic objective of **mutual assistance** between **members** aimed at **redeveloping** the **strengths** of the **collective**.

What do your members need?

How can you educate them?

Basics

Members must know who you are and what you offer

- **Brand**
 - Easy Recognisable
 - Members understand what the brand means
 - Community involvement
 - A sense of belonging

Basics

- **Information Technology (IT) and Accounting Strategies**
 - Standard operating and accounting software systems
 - Possibility of an IT bureau to help everyone
 - Provide enhancements to customers/credit unions
 - Easy access for members to their money
 - Easy accounting systems should be established and training offered

How do you get Economies of Scale?

How do you get Economies of Scale

- Working together (two minds are better than one)
- Education and training
- Sharing experiences and ideas
- Networking-talk to each other
- IT and Software
- Alliance with suppliers
- Supervising oversight (by peers)
- Good Governance Practices
- Financial expertise
- Never be afraid to ask

Future of financial services

A video will be shown

Thank you
