ASSOCIATION OF ASIAN CONFEDERATION OF CREDIT UNIONS

Our Vision... Sustainable Credit Unions in Asia

We believe that ACCU's primary purpose is to ensure credit unions are continually providing affordable financial services to their members. To perform its purpose, credit unions have to achieve financial viability, operational efficiency, member-customer and employee satisfaction, competitive position, knowledgeable and involved boards of directors and quality products & services. ACCU's value added services to members are all directed toward the shared vision.

Our Mission...

ACCU works in partnership with its members to strengthen and promote credit unions as effective instruments for socio-economic development of people.

Core Values, Our Commitment to members and partners

Dynamism: We own our members a Dynamic Regional Organization. We will strive to expand our human resources by mobilizing competent people who can deliver value-added services to our members in a timely manner.

Innovation: We own our members a Leading Organization for Credit Union Innovation in Asia. ACCU will not duplicate what our members are doing. Our services will always be of value to members that use them to help achieve their own goals.

Learning: We own our members a Learning Organization for Credit Unions in Asia-this means ACCU will be the resource center or facilitator for credit union best practice, management tools, systems, guidelines and technology.

Quality: We own our members and partners the Highest Quality Service possible at all times characterized by responsiveness, accuracy, integrity and professionalism. We will always strive for quality improvement.

Solidarity: We own the Asia Credit Union Movement the value of Solidarity. This means our mechanisms, policies, and programs will translate this value.

Introduction

Association of Asian Confederation of Credit Unions (ACCU) operates as a regional representative organization of credit unions and similar cooperative financial institutions in the region of Asia.

As of June 2008, ACCU has 15 regular members, 1 associate member, 16 Affiliate members and 25 supporter members from 24 countries. ACCU holds membership status with the World Council of Credit Unions (WOCCU), and the International Raiffeisen Union (IRU).

A team of Competent human resources carries out the implementation of work plan under each of the following divisions: Planning and Development, Member Services, Promotion, Marketing and Research, Business Development, and Support Services.

As a regional organization of credit union leagues and federations, representing 24 countries in the Asia region, ACCU has a unique and diverse skill in the development of, promotion of, and strengthening of credit unions in different stages of development.

As a private sector financial intermediaries, credit unions play significant roles in urban and rural financial markets. In line with this, ACCU's credit union approach primarily focuses to effect substantial contribution to the socio-economic growth of Asian nations in the region.

By expanding its role and improving its public image, credit unions have become reliable and sustainable community based financial institutions bringing financial services to people not generally served by the formal sector.

The plan has only three goals:

- 1 Growth of the movement,
- 2 Competitiveness of credit unions in Asia,
- 3 Sustainability of ACCU.

Strategies are addressing the needs of credit unions enabling them adopt innovation increasing their market share. Among the strategies identified are:

- 1 Need based & competitively packaged products strategy
- 2 Repositioning Strategy as a "Trusted Wealth Management Advisor"
- 3 Customer Relationship Management (CRM) Strategy
- 4 Market Segment Targeting Strategy
- 5 Reaching Out Strategy
- 6 Credit Union Monitoring Standardization Strategy
- 7 Changing Leadership Competency Strategy
- 8 Connectivity/Convenience Strategy
- 9 Branding Strategy

The plan entitled Fostering Cooperation and Innovation for Asian Credit Unions Growth and competitiveness stands for the entirety of the plan. ACCU recognizes that there is an urgent need for a sweeping commitment for cooperation to bring far-reaching growth changes in Asian Credit Unions.

The annual Statistical report is tool to monitor the growth and development for credit unions. This report is the consolidation of the statistics of member countries as of December 2007.

to strengthen and promote credit unions as effective
instruments for socioeconomic development of people

Values Statement

- **We Owe Our Members**

A Learning Organization for Credit Union in Asia-this means ACCU would be the resource center or facilitator for credit union best practices, management tools, systems, guidelines and technology.

- **We Owe Our Members and Partners**

Highest quality service possible at all times-characterized by responsiveness, accuracy, integrity and professionalism. We will always strive for quality improvement.

- **We Owe the Asian Credit Union Movement**

Of Solidarity-this means our mechanisms; our policies and our programs will translate this value.

- **We Owe Our Members**

A dynamic regional organization-this means expanding our human resources by mobilizing competent people who could deliver value-added services to our members on a timely manner.

- **We Owe Our Members**

A Leading Organization for Credit Union Innovation in Asia-ACCU will not duplicate what our members are doing. Our services would always be of value to our members that help them achieve their own goals.

International Cooperative Principles

Statement on the cooperative identify

Definition

A cooperative is an autonomous association of person united voluntarily to meet their common economic, social, ad cultural needs and aspirations through a jointly-owned and demoractically-controlled enterprise.

Value

Cooperative are based on the values of self-help, self-responsibility, democracy, equality, equity and solidarity. In the tradition of their founders, cooperative members believe in the ethical values of honesty, openness, social responsibility and caring for others.

Principles

The cooperative principles are guidelines by which cooperatives put their values into practice.

1 st Principle	Voluntary and Open Membership
2 nd Principle	Democratic Member Control
3 rd Principle	Member Economic Participation
4 th Principle	Autonomy and Independence
5 th Principle	Education, Training, and Information
6 th Principle	Cooperation among Cooperatives
7 th Principle	Concern for Community
