## World Council

- Membership

Year	Countries	Credit Unions	Members
2014	105	57,000	217,000,000

- Building a global community.

In pursuit of its vision to build a global community, the mission of World Council of Credit Unions is to be the world's leading **advocate, platform, development agency** and **good governance** model for credit unions.

---

---

---

---

---

---

---

---

## The Global Women's Network

Mission:

To provide credit union women the opportunity and resources to make a measureable difference in each other's lives and in the lives of credit union members and their communities.

The Network provides members with opportunities to engage with leaders and future leaders, to enhance their awareness of issues and trends impacting the credit union movement, and to improve financial services for women worldwide.
